

SEQUENCE LISTING AMENDMENTS

On reviewing Figure 6A and Figure 6B, it was noted that G15-light and G15-heavy amino acid sequences referred to therein do not appear in the sequence listing currently on file. A replacement sequence listing is enclosed herewith with those sequences added as SEQ ID Nos 44 and 45 respectively. It is noted that G15 does not appear in the claims.

I hereby declare that the content of the paper and computer readable copies of the enclosed sequence listing are the same. Please enter the replacement sequence listing into the description.
